PRESENTED

BY

THE CLASS OF 1959

**GROSSE POINTE
UNIVERSITY SCHOOL**

IN MEMORIAM

BLANCHE G. BLASHILL

It will be difficult for us to accept the fact that Mrs. Blashill will no longer greet us with her cheery smile as we enter the library. Loved and respected by all who knew her, she gave all of herself to making the library the center of our school life. Always ready to help locate the proper reference or find the appropriate book, she served every one of us willingly and efficiently from the day she first accepted the staggering task of combining the Country Day and D.U.S. libraries in preparation for transfer to the new building, until early this year when she proudly announced that finally, after seven years, her expectations for her library were close to realization.

The library was and is, in a very real sense, hers — her creation and her domain. It will long remain a tribute to the wonderful lady who gave herself to our service and who shall be sorely missed by us all.

DEDICATION

Mr. Cragg

Our memories of you, Mr. Cragg, will be of a quick smile, a friendly hand, a droll sense of humor, the ideal of good sportsmanship, your unhurried, casual manner. Any student who has been privileged to be on one of your teams or a member of one of your mathematics classes, will long remember your patience, understanding, friendliness, and those many extra periods of help in math. For your quiet contributions to the school and to the student body, to you, Mr. Cragg, we dedicate this Pericon.

DEDICATION

Miss Brock

Patience, generosity, and a keen sense of humor are the trademarks for which the Senior Class will long remember you, Miss Brock. To those of us who have played on a varsity team, you are the one responsible for the improvement of team spirit and the success of the various athletic teams. For your inspiration on the athletic fields, for your patience with our excuses and our shortcomings, for your encouragement when we need it most, for your constant willingness to help us in time of need — for these, Miss Brock, we dedicate this Pericon to you.

HEADMASTER'S MESSAGE

To the Class of 1959 —

1958-59 will long be remembered as the school year during which the Space Age began. From the first Sputnik to Pioneer IV every day has brought news of more terrific blast-offs and greater speeds. Travel through space is promised within a few short years and it is quite possible that some of you will pilot space craft, or perhaps buy tickets, to the moon and beyond.

To those of us who grew up with the model T and rushed outdoors whenever an airplane motor was heard over the house, this is a staggering prospect. To you who are about to set forth on your own it undoubtedly presents an exciting and challenging future.

Our hope is that you will meet the many challenges which lie before you with courage, wisdom and resourcefulness. And I am confident that you will, if you continue to tackle your responsibilities with the steady determination which has won you both solid academic achievement and signal honors in extracurricular pursuits.

We are proud of the seniors of 1959 and grateful for what they have given the school — in leadership, loyalty, and spirit. We wish them success and happiness on earth and in space.

"Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I . . ."

We were ably represented on the Student Council by Julie Walbridge, on the Red Cross Council by Sharon Sanders and Sarah Strother, and on the Athletic Council by Martha Menge - Red Team Captain, Gladys Menge - Red Team Manager, and Sally Lewis - Blue Team Captain. We were also in charge of the Bake Sales, a traditional project of the junior girls. Linda Jones was a very nice addition to our class of nineteen girls. We sincerely thank Miss Ferguson for her patience and aid in helping us to maintain the high standards of G. P. U. S.

This year has been a very successful one for the tenth grade boys. Seldon Kaufman, our only new student, was a valuable asset to the class. Although our class lost many students, we were still well represented in different clubs as well as on the athletic field. Our main enterprise was selling food at the basketball games. We feel that Mr. Trim's help has been very beneficial to us in his two years as our homeroom advisor.

This year's ninth grade planned many projects to help the exceptional and unfortunate. To organize the projects, we had two committees; one headed by Patty Walbridge, who was more or less a one-woman committee to take care of any matters concerning Lila, our four year old adopted child who lives with her family on the border between Russia and Finland. Twice a year we sent her money and clothes. Anne Wood was chairman of our other committee, under whose direction the class made things to be used in hospitals and in the Quonset Hut at old C.D.S. We hope these projects will be continued in the future here at G.P.U.S.

2nd Row: Mrs. Welcenbach, Peter Kross, Andy Court, Alice Gage, Cathy Bicknell, Bob Dumke, Marc Shaye.

Periscript serves as a stimulus for the creation of artistic endeavors by our students in the fields of writing and art. The staff attempts to select the work which will be of interest to the faculty and students, and which best represents the creativity of the student body as a whole.

In an effort to widen our scope, we have returned this year to the format of former years. While there is a unifying element in this year's Periscript, there is no single theme permeating the entire issue.

The staff this year was directed by the Co-editors Jane Rueger and Bill Gorman, and was very ably assisted by Mrs. Welcenbach in the field of literature and Mr. Vaillancourt in that of art.

PERISCOPE

1st Row: Irving Smokler, Alice Gage, Sally Lewis, Julie Ferry, Marc Shaye, Jeff Miro, George Lott.

2nd Row: Mr. Conley, Miss Perkins, George Boller, Paul Sparre, Noel Savignac, Steve Norcott, Larry Vandermark.

Experimenting with new ideas under the leadership of Mr. Conley as faculty advisor and Paul Sparre as editor, the staff and contributors of Periscope have made many new and successful innovations. During the football and hockey season, editions of the paper were distributed weekly, carrying detailed accounts of the games. Because Mr. Conley and several of the editors spent many Saturday mornings preparing the coming week's edition, the news was no longer outdated and behind the times. Coming events could now be announced to the students through their own school paper. Another edition, issued monthly, contained items such as interviews, editorials, reviews, and other articles which did not require prompt publication. The many words of praise which were extended to the paper's staff by its reading public remain testimony to a job well done.

STUDENT COUNCIL

1st Row: Wendell Goddard, Steve Parks, Patty Walbridge, Peetie French, Meg Van De Graaf, Stephen Fischer.

2nd Row: David Templeton, Sally Champion, David Olen, Jane Peirce, Jeff Miro, Julie Walbridge, Marc Shaye, Betty Carpenter.

Coordinating the various student activities and providing leadership for the student body are the main concerns of the Student Council. It also supervises the financial projects of the classes and the school organizations. The most important project annually is the Torch Drive campaign within the school. The success of the drive this year can be attributed to the support given by all of the students.

This year's co-presidents were Sally Champion and David Olen; Jane Peirce was Treasurer, and David Templeton was Secretary.

JUNIOR RED CROSS COUNCIL

1st Row: William Clark, Harrop Miller, Susan Daume, Jim Lauve, Christy Wilson, Star Langston, Happy Endicott, Peter Armstrong.

2nd Row: Sharon Sanders, Chip Munger, Sarah Strother, Irving Smokler, Dick Johnson, Lynne Randall, Tom Smith, Sue Shepherd.

The Junior Red Cross Council this year has endeavored through its many projects to promote the knowledge of the importance of Junior Red Cross in the school and in the community. Under the leadership of Sarah Strother and Chip Munger, the council has sponsored an album, a chest to be sent overseas, a fund-raising dance, an enrollment drive, and many service activities. We wish to extend our thanks to Miss Fenech and Mr. Conley for their able assistance and guidance. The council would also like to express its gratitude to Mrs. Lewis for her work with the lower school council.

The Glee Club had a varied and complete program. It included: assemblies, the annual Christmas program, a Canterbury Club service at Christ Church, and the annual spring concert. The Glee Club has become now a prominent organization of the school. It has contributed to the entertainment and acquaintance with music of the entire student body.

The tireless efforts of Mr. Arner, director, and Mrs. Robinson, accompanist, have contributed greatly to the success of the club.

4th Row: Mr. Arner, John Thrasher.

The Band, a relatively new organization in the school, made its debut this year at the Lutheran East football game; it played the school song and many appropriate marches. These renditions added greatly to the spirit of our students at the game. The Band was one of the highlights at the annual Father-Son Banquet. During the year it performed two concerts; it played at a morning assembly in the winter, and at the annual Spring Concert in May. The Band was composed of twenty-five boys from grades 7-12, under the capable direction of Mr. David Arner. It is hoped that the band will continue to develop greater depth and excellence in the coming year.

The Service Club is a function of the Student Council. Under the direction of the Student Council Secretary, the members serve the school in a variety of ways. They help with the lighting and other stage duties, library supervision, messenger service, and in the book store. This year the club was under the direction of David Templeton. Each year the Club recognizes the service of its outstanding members with special awards. Those receiving the recognition last year were Sally Champion, Polly Kammer, Susan Merrell, Paul Sparre, George Boller, and Bruce Gillis.

Although but recently included among the ranks of school activities in the Yearbook, the G.P.U.S. Camera Club has nonetheless been energetic in its attempts to prove itself useful to the school community. During the football season, camera men from the Club were on hand to record the highlights of the games on film and afterwards to sell the prints to anyone wishing to buy them. Equipped with school darkroom equipment, the Club did an admirable job in satisfying the demand for pictures from all its customers. Limiting itself not merely to school photos, however, the Club often undertook lengthy field trips which took them to areas in and around Detroit. Blessed with a growing membership, the Club may confidently look forward to a worthwhile, enjoyable future as an important school activity.

Cum Laude is an honorary scholastic society in the United States. At G.P.U.S. membership in the society represents the highest academic honor granted to Junior and Senior students. Members of this organization must have maintained a minimum average of 80% throughout their high school years and they must rank in the top 10% of their Junior class or in the top 20% of their Senior class.

The President our chapter this year was John Pingel. Miss Ferguson and Mr. McCann were Secretary and Treasurer respectively. This year G.P.U.S. was honored by being host to the other Cum Laude chapters in this area.

Proscenium, the dramatic society at G.P.U.S., had a very successful year. We Sponsored by the seventh and eighth grade operetta, "The Singing Freshman," in cooperation with the music department, and we organized two talent shows. Our largest project, the winter show, this year "Stage Door," is always a lot of work and a great deal of fun. The goal of the Proscenium group, which has as members representatives from grades 9-12, is to stimulate dramatic interest in the students of the school. Our faculty advisor is Mrs. Munger, and we owe her many thanks for her help and patience.

May Day is a time-honored and beloved tradition which G.P.U.S. inherited from Grosse Pointe Country Day School. The bright May Pole and lovely queen on the lawn in front of the old school were favorite sights of many passers-by. Her majesty and her court were entertained by the dances of her young, loyal subjects. This ceremony was understandably close to the girls' hearts, and when Country Day and D.U.S. merged, no one wished to abandon it. The old tradition was joined with the boys' Field Day, a round of sporting events, and the parents were invited to watch and participate. G.P.U.S. Day, as this adaptation of the old customs has been named, proved a great success at its initiation last year. It is a fine example of the new and co-operative practices which are fast becoming lasting traditions at G.P.U.S.

ATHLETIC DIRECTORS

Mr. Cragg, Miss Savery, Miss Brock, Mr. Yeager.

The athletic program is one in which the students in all grades participate. The duties of the athletic directors are to organize the various intramural games, the varsity and junior varsity interscholastic games, the two athletic banquets, G.P.U.S. day, and in addition they oversee all activities in the department. Under the efficient management of these directors, the athletic department is a vital part of our school life.

COACHES

*1st Row: Mr. Eriksen, Mr. Yeager, Mr. Arnold, Mr. Harris, Mr. Hindle.
2nd Row: Mr. Bellows, Mr. Trim, Mr. Cragg, Mr. O'Connell, Mr. Roberts.*

We would like to pay tribute to our faculty members who tirelessly, day after day, assume the role of "coach" at 3:18. They contributed, in large measure, to the success which our teams had this year, and their efforts are greatly appreciated by all the boys. Unfortunately, the Knight - Daze game was not played this year, but after reviewing the season's record, one could have been sure of the result!

BOYS' ATHLETIC COUNCIL

1st Row: Shelden Smith, Curtis Slotkin, Richard Baron, Sandy Coe.

2nd Row: John Pingel, Mr. Yeager, Glynn Conley, Mr. Grimes, Richard Johnson.

The Council is comprised of a representative from the Lower School, and one from each class in the Upper School. Meetings are held at the end of each season, at which time the Council considers the individual's athletic record, based on his contribution to the team and the recommendations of the coaches, and decides who will be awarded the school letter. The awarding of the "U" is the most important work of the Athletic Council. In addition, the Council helps to arrange bus transportation for the enthusiastic followers of the basketball teams.

3rd Row: Peter Fortune, Paul Sparre, Sandy Coe, Andy Court, Peter Kross, Bill Walker, Jack Pingel, Mr. McCann, Dick Johnson, Richard Baron, Mr. Yeager, Peter Monroe, Mr. O'Connell, Mr. Roberts.

The "U" Club is composed of all boys who have won a varsity letter and all men on the faculty who coach or have coached varsity teams. The "U" Club sponsors all the varsity athletic events, and by charging admission to the basketball games, the Club helps the athletic department to purchase equipment.

2nd Row: Martha Menge, Carolyn Jacobson, Sally Lewis.

The objectives of the Council are to promote the various athletic events and to develop in the students qualities of fair play and good sportsmanship. The interest and competition, not only in the varsity games, but also in the many Red and Blue Team games, contributed in a large measure to make the year a successful one. This success could not have been achieved without the guidance of Miss Brock and the loyal support and cooperation which the students gave to the athletic program.

The Athletic Honor Society is a new organization in the school this year. Its purposes are to stimulate interest and participation in varsity sports and to honor those girls who have shown excellence in sportsmanship and who have demonstrated uncommon ability in athletics. Membership in the society requires at least two years of service on two varsity teams.

This year's 1958 Varsity Football team got off to a slow start by dropping two of our first three games. However, with determined effort and hard practice we came back to win our last four games, which gave us a final record of five wins to two losses. Although the team was outweighed in most of the games, our speed and experience accounted for our wins. Our backfield was extremely versatile, and the line, hard-hitting. The team was generally strengthened by the experience of twelve seniors, nine of whom had won letters in previous years. Our two coaches, Mr. Trim and Mr. Cragg, have been a constant help and inspiration.

The team is grateful for the interest, help, and patience they showed us.

The Varsity Hockey team of 1958 had a sensational season with only one loss to Kingswood. With the help and cooperation of the team and senior co-captains, Carolyn Jacobson and Melinda Bryan, Miss Brock coached us on to the most successful season in years. Spirit ran high both on the home field and away, which proved itself in the team's determination to win. Competition was stiff this fall, but the team's "togetherness" came through with five wins, one loss, and a tie. The scores may be forgotten, but the pre-game "butterflies," singing on the buses, "lucky pennies," a winning goal, and the welcomed refreshments will always be remembered as part of the fun in the 1958 hockey season.

This year's varsity got the season off to a fine start by winning the first five games. After an upset at the hands of L'Anse Creuse, the Knights bounced back to win all the remaining games, as well as the Invitational Tournament at Maumee, Ohio. That this season was so successful can be attributed to three things: the patience and help of Coach Bellows; the fine teamwork which the varsity displayed in practice, as well as in the games; and the wonderful support which the team received from the students, faculty, parents, and friends of the school. Undoubtedly, these factors helped immeasurably to make this year's varsity one of the best in the history of the school.

This year the J.V. team had a 9 - 4 record against stiff competition. Every victory was a team effort. The team had determination and the will to win which was shown by pulling out of some tight games. The team owes a great deal to our coach, Mr. Eriksen, and to the Varsity coach, Mr. Bellows, as well as to the Varsity. We appreciated these efforts and the support which we received from the student body.

This year's varsity basketball team devoted the majority of its practices in trying to develop a strong defensive team, with the guards working a line defense, and an aggressive offense, the forwards trying to work out various plays, some of which were adapted from the boys' teams. The success of these tactics is evident from the unusually high scores of the last two games.

The undefeated record of 1958 was not repeated this year; however, under Miss Brock and the co-captains, Carolyn Jacobson and Robin Harris, the varsity worked hard and showed great improvement, particularly in ball-handling and play-making. Gay Bacon was the high scoring forward for the season.

Losing only one game out of the four played, the reserve basketball squad had an excellent season this year. We lacked height in the defensive, but this handicap was overcome by the speed and co-ordination of the guards. The aim of the offense this year was more unified teamwork and accurate shooting. Under the guidance and leadership of Miss Brock and co-captains Sally Champion and Gladys Menge, the team achieved its goals successfully.

Despite a strong hitting team, the 1958 Knights had a season's record of four wins and nine losses, which was due mainly to weak team fielding.

This year's team will be without the services of six of the nine starting players from last year; however, Mr. O'Connell, the head coach, believes that this year will see great improvement in the team's fielding. The squad is well-balanced and has depth at every position. This year promises to be a successful one for the baseball varsity.

Runners-up State Team Title			

The 1958 G.P.U.S. Varsity tennis team had an undefeated season, and with seven returning lettermen, the 1959 season appears equally hopeful. Bob Wood and George Haggarty won the State Doubles Championship, Class C-D, for the second time. With these two outstanding performers and a strong team, Coach Bellows is aiming for another successful showing in the state tournament at Kalamazoo.

TENNIS

1st Row: Gay Bacon, Cindy Beeman, Polly Blake, Ann Wood.
2nd Row: Julia Walbridge, Martha Menge, Jean Templeton, Sally Lewis, Polly Lord.

The girls' tennis team completed its 1958 season undefeated. Donna Woodruff playing first singles, and Julie Walbridge and Cindy Beeman, playing second doubles, held the record for unbeaten players.

On G.P.U.S. Day, which was held for the first time last year, the girls' and boys' tennis teams united to play against Maumee Valley Country Day School. In this competition there were two girls' singles, two boys' singles, and two mixed doubles.

See for yourself!

no squirm....

No jutting pillars to guard against when you get in and out.

No lack of comfortable seating space even for the man in the middle.

...no squeeze

no squash....

No uncomfortably low roof line to make you duck your head.

... in the Ford Family of Fine Cars

Make these comparisons with any competitive car

Door openings have been widened up to six inches, to make getting in and out easier. No jutting door post gets in the way.

See how much more head room there is in the Ford Family of Fine Cars. Even six-footers can sit up straight without touching the top.

A break for the "middle man"—the floor hump has been cut way down to provide plenty of leg room for center passengers.

Seats in the Ford Family of Fine Cars let you sit in a natural position—not so low that your legs shove uncomfortably forward.

Measure any of the 1959 Ford Family of Fine Cars against other cars. You'll be amazed at the difference in interior spaciousness and ease of entry and exit.

That's because at Ford Motor Company we design cars to fit people. Not people to fit cars.

We know Americans love their comfort. They hate to be hemmed in. That's why we've done everything possible to provide more head room, more elbow room than ever before.

See for yourself. Visit any of our dealers' showrooms. Compare and be convinced. There's no compromise with comfort in the Ford Family of Fine Cars.

**NOW
ENTERING
THE ERA OF
ALL-ELECTRIC
LIVING**

Today's graduates are entering an exciting new era where they will live better electrically in every way . . . at home, at work, or at play.

For example, if you choose marriage, you can enjoy an all-electric home. Included will be electric heat, built-in electric range and refrigerator and a host of time-saving, economical electric appliances. They will be the ultimate in modern living comfort and convenience.

Or, if you go into business, efficient electrically operated machines will assist you in getting the job done swiftly and easily—again an illustration of the versatility and dependability of electricity.

Or, if you go on to college, perhaps you will become one of the scientists or technicians who help further mold the all-electric world of the future.

No matter which path you may choose, electricity will be there to lighten your load, brighten your way . . . help you live better . . . electrically.
